Hot sex at the
24-hour grocery store

Supermarket Score

I work two Jobs and never have the time to shop during normal hours. The 24-hour supermarket has been a great help to me for my needs—and, as I discovered one night, an unexpected place to meet chicks.

It was late one night and I was pushing my shopping cart through the empty aisles after finishing my shift at the factory. After picking up a few Items I turned the corner and spotted a woman pausing in front of the meat section, handling a package of chicken cutlets. Her beautiful ass was poured into a pair of skintight jeans; a satin jacket braced two melon-like tits. I stopped dead, imagining her underneath me in bed.

I finally worked up the courage and spoke. “Excuse me, what cut of beef do you think is best for making a spaghetti sauce?” She turned, revealing mouth-watering cleavage, and licked her over her lips. “I always use ground hamburger meat, 97% lean.”

I thanked her and asked, “What brings you out shopping at this hour?”

“I work late nights,” she answered. “I’m an ER nurse.”

I work late too. It’s great for us this place stays open like this. What’s your name?

“I’m Jan. And yours?”

“Tim,” I replied. She looked me over with a half-

open mouth and my cock began to come alive and put pressure on my pants. I knew right then and there that Jan was a sensual, erotic woman. I couldn’t help wondering whether I could fuck her. So I asked, “After we finish shopping would you like to have a drink with me? I know a great bar just up the road that’s open.”

She fiddled with the jar of Vaseline. “Yeah, why not. It’s been a long day. I’ll wait for you at the check-out.”

I smiled as my dick began to throb. “You got it. See you there.”

My dick already knew the answer as I maneuvered my cart into the next aisle. I stopped at the meat counter and placed some chopped meat into my cart. Jan entered the aisle. I looked into the meat preparation area and saw that it was empty. I walked over and pushed the door open and motioned her to follow. She did.

Entering I said, “Strange place, all these machines that slice the meat here.”

Jan looked at me with a little apprehension and said, “You turn me on.”

I then walked over to her, unzipped her jacket, and gently kissed her. She responded and we embraced. I rolled my tongue into her mouth and she pressed her body into mine. We kissed again, our bodies warming

to the embraces.

She spoke. "Let's get out of here and go back to my place." I backed off and said, "I have this urgent need to fuck to you right here."

She hesitated and then said, "Right here? Where can we do it?" She was flushed, apparently getting off on my urgency and I felt her yield to my insistence. I looked through the two-way mirror, saw the aisles were empty, and kissed her neck, nibbling at it with my mouth. She rolled her pussy into my bulging crotch and moaned. My cock stiffened as I felt the heat through her pants. I put my hand into her shirt and felt her nipple, which was erect and hard. My cock crept up and out of my underwear and hit the belt buckle, hurting to be free.

She unbuckled my belt and opened my zipper to relieve the pressure on my dick. She then sank to her knees and put my cock in her mouth. She salivated as it slid into her mouth and I grabbed her hair, rubbing the nape of her neck as her head rocked up and down. The shaft of my dick sank deep into her mouth. A hum erupted from her throat, sensitizing my cock, enlarging it. I looked down as she drooled, becoming frenzied.

She continued to moan and hum my cock, flooding it with her spit. Her hands cupped my ass and squeezed.

She moaned, shrieking with the ecstasy of her enjoyment. I leaned back, amazed and weakened by her passion at the task at hand. My urgency mounted. She was exciting me like no one had ever done before. This strange place was exciting both of us. I looked out through the two-way mirror and was brought back... by someone choosing a cut of meat. I could see them but they couldn't see me. I smiled in the security of the moment and returned to my high.

Jan looked up into my face and spoke. "Um, your dick is really making me hot, but this place is making me crazy. But for a long time I wanted to act on the moment."

I grinned back, my eyes half-closed, "My dick jumped on the moment. The instant I saw you I wanted to fuck you."

Jan unzipped and lowered her Jeans, her panties soaking wet with expectation—which my aching cock did not intend to let down. I sat her on the chopping block and she leaned back on her elbows. I rimmed her cunt as her eyes enlarged. She pumped the muscles of her ass in anticipation and I sank my cock deep into her hole, which was dripping wet. She started to flow, the juices running down her ass onto the block. My cock was engorged with the blood from my brain as it probed and pushed deep into her cunt.

I stopped and fondled her tits, pinching the nipples,

which turned her on even more, her nostrils flaring under the painpleasure of my pinching. With one hand I reached down into her pussy and massaged her clit. She moaned. "Fuck me, fuck me hard! Take me over the edge. Do me, do anything—just keep fucking me!"

I reacted with a fever, the sound of her voice turning me into a monster as I pounded my cock into her cunt. Her flesh moved on the block, back and forth. She started to cum. "Now, Tim! Oh now, come with me! Yes! Yes! Now!" She jerked and spurted, the flow dripping onto the floor. My gaze caught the wonderment of her pooling juices. I started to bang away, all reason to the wind and deep in the base of my cock I felt the surge form. My body tensed for a moment as I rose onto the balls of my feet. My back arched to sling my hot seed deep into her cunt. Deep in my throat a sound formed without a song and I bellowed.

A trickle of sweat formed in the base of my back and ran down the crack of my ass, cooling as it fell on my balls. Wham, bam, the cum rushed up the vein and out of the head of my cock. It nestled deep in her clutching hole. She reacted and came more, her hands grabbing the side of the block.

I spurted again and again, each time slamming deep into her body. She rocked back on the block to each of my thrusts, waves of sensations flowing through her body. She could hear my heavy breathing as the animal

in me weakened. I rocked back on my heels and collapsed on her.

I slowly regained my senses, lifted myself off, raising her and kissed her mouth. We embraced, hugging in the aftermath, a tenderness warming our presence. We began to chuckle, the intensity of the past moments turning into laughter. I knew she was still excited. I said, "I don't believe it. Just like that; so complete, so real, so right."

She replied, "I've never done anything like this before. This place made me crazy. Do you know that I'm still turned on?" I looked around, catching the meat racks and prep tables and finally landed on a shopping cart. I looked towards her. "Come here, I've got a treat for you." Still nude she came over and I lifted her and placed her into the basket, the back end open. She was stuffed into the cart, her arms over the side and her feet high in the air.

She squealed, "Oh, it's absolutely freezing in here! What are you going to do?" I dropped to my knees and faced her pussy, which was well primed as I probed her lips with my tongue.

She said, "Tim, it's yours, all yours." I licked her lips, which were extended from our fucking. I found her clit and moved my tongue across her button. It became hard like a young cherry; I lapped at her pussy, dinging her button on the upstroke. She relaxed her

sphincter opening and I rimmed it with my finger. It excited her. She winced and grabbed the sides of the cage.

I then put my lips on her pussy and seized her clit between my teeth and rolled it around. She jumped with a moan, sending the cart backwards, but I held on and brought her close. She moaned again, deep, crawling up the cage. I nibbled a little harder and she moaned louder. It excited me. Her voice sent shivers up and down my spine.

She had never felt anything like it; it made her crazy with passion. I sucked her clit deep into my mouth and my cock started to react and stiffen. She started to cum in waves, bathing me in her juices. She creamed and screamed, the intensity of the moment rolling her eyes into the back of her head. I raised myself, my cock at attention, and landed it into her cunt which was a hot mass of oozing liquid. She squealed with delight and I began wheeling the cart around the prep area. I stopped and pulled the cart back and forth, my cock acting as a back stop. She rolled her head from side to side in the cart.

"Keep fucking me, Tim! I could go on all night!"

I smiled a long grin. "It's the other side of midnight and the butcher is at home, turning over in his sleep. We can go on forever." With my cock deep inside her cunt I wheeled her inside the meat locker. It was chilly and steam came from our bodies. We laughed and looked around at the sides of beef hanging on hooks and the legs of lamb stacked on tables. I said to her, "Looks like a morgue in here. Come on, get out of the basket."

As she raised herself she spoke. "What else can we do with this fantasy?"

I felt like a director and motioned her to come over. "Over here and grab on." I guided her to two empty hooks on the overhead rack. She grabbed them, stretching her body. Between the sides of beef my imagination soared as I gazed onto the back of my newfound playmate. I laid my hands on her back and massaged her muscles above her ass.

"That feels so good," she moaned. My thumbs pushed up on her two muscles that flanked her backbone and slowly reached her neck. Her neck twisted to the right, then the left and I massaged deep into the base of her skull. My cock was erect and excited, her live flesh next to the carcasses arousing my passion. I guided my member with one hand as her flush backside yearned to receive the new thrust. She craned her neck to see the entry and I grabbed her waist, relieving the weight and slung my cock into her live cunt.

Her head fell forward as I stayed in deep. I grabbed the two sides of beef next to her and began banging

from the rear. I was really turned on as my hands felt the cold flesh while my cock was warmed inside the heat of her cunt. She let go with one hand and grabbed the side of beef I was holding.

She swung her body onto the carcass. I withdrew and looked in amazement as she saddled herself on the side of beef. Her arms wrapped around as her legs hoisted and swung around, clinching themselves securely. She started to ride the carcass, humping the stripped side of flesh. I flipped out; it was beyond anything I'd ever seen before and it excited me beyond words. I started slapping her ass. "Again, more, more, more. Do it again!"

I tapped out a rhythm on her ass as the sting ran through her body and returned to her cheeks. I reentered her cunt with my cock throbbing in a frenzy. She groaned with ecstasy as sweat formed on her body. I was holding onto the side of beef as I fucked her. It was cold and warm at the same time. I started to sweat all over and then let out a roar, the echo bouncing off the wall.

It turned her on and she started to ride up and down on the carcass, using my cock as an anchor to fall back on. She shuddered and I held still, my cock engorged with blood and passion. She then sunk her teeth into the carcass and held on. I saw this and I started to fuck her passionately, abandoning my senses to the primal flow.

My heart pounded as I took in the scene and I clicked into overdrive as my cock rode over the edge. As I started to cum another sound erupted from my guts. She felt the eruption and screamed. "Now, Tim! Now! I'm coming with you. Deeper, deeper!"

I bellowed again as the seed dropped into the chamber and fired with one of my salvos into her open cunt, which was dripping down the side of beef. I came, my cock deep in the socket

fusing her body to the side of beef. I jerked up, lifting her body and cupping her breast. To my touch she screamed and came, riding on my cock as it overflowed into her cunt.

Supported by my weight, she writhed over my body, draining cum juice down my balls onto my legs. My knees became weak with her weight and my ejaculation. I let her down and she hugged me, laying her head on my shoulder.

She exhaled with satisfied exhaustion as I comforted her in the shelter of my body. I looked around in disbelief of what had just happened. The room came back to reality, chilling our bodies, and I walked her through the swinging door. We were quiet as we picked up our clothes and dressed ourselves. She smiled and I knew I had a soulmate for life.

"Tim, this was amazing," she finally said. "I've never done anything like this, ever!"

I smiled, "Yeah, this really was. It's past midnight." She combed her hair and adjusted her clothing in the two-way mirror. She saw someone coming towards the room. The door opened and the night manager stood inside the doorway, startled to find anyone there. "What

are you two doing in here? Customers are not permitted in this area."

I answered. "Excuse us. We were just looking for a special cut of beef." He glowered, "Look, buddy. If it's not on the shelf then we don't have it. Now both of you, outta here!"

I pulled Jan to my side and we walked out. I found my cart and Jan found hers. There wasn't much food in either. The night manager followed us, scratching his head and wondering about the two carts we were wheeling. As we proceeded to check out, he watched us intently. I was sure he knew we were not back there looking for any cut of beef. I smiled at him and he smiled back, knowing we had found a piece of ass in each other.

SHE'S THE ONLY ONE

We grew up together and we'll grow old together

My heart was stolen.

The moon was bright, brighter than it had been for as long as I could remember it. My breath came fast and hoarse. I tried to concentrate on the gravel road illuminated by the moon and my headlights, but found the task too difficult. I glanced down into my lap and saw Hollis's glossy hair shift with her head's pulling and pushing motions.

Inside her mouth, my dick was rigid and swollen, just bursting to flood her throat with cum. But not yet. She was an expert at giving me head by now, and knew how to prolong the torture. Her tongue swirled over my cock, creating a sensual maelstrom inside of me. My eyes rolled in my head and my speed slowed to ten miles per hour on that dusty summer back road. She climbed even further into my lap and used one hand to accompany her sucking mouth. I felt her use her teeth to gently scrape my cock and I shuddered. Her hand grasped my dick and she assumed a steady rhythm, my dick head never leaving that wet hot slick tongue. Deeper and deeper I was drawn into her mouth, her hand squeezing the base as she pushed the head back to her throat. I felt her make swallowing motions and it undid me.

With a shout I arched my back and slid my dick as deep into her as I could. With one hand I grabbed her hair and fucked her mouth. She made moaning noises that reverberated against my cock and I felt my hot cum rush through me. I exploded into her mouth and she put a strong suction on me, drawing the cum as quickly as it would go. She swallowed everything and licked the remnants off my aching rod. I was breathing heavily and the car was stopped dead in the road.

She came up and kissed me, her mouth wet and warm against mine. I loved her. Somewhere along the way, I forgot how much.

Hollis is quite the babe. Her skin is a constant tan

Her hand grasped my dick and she assumed a steady rhythm, my dick head never leaving that wet hot slick tongue. Deeper and deeper I was drawn into her mouth...

that hints to her Mediterranean heritage. She has a thin, straight nose, large brown eyes, high cheekbones, and longer brunette hair. Her stomach curves ever so slightly and is adorned with a simple belly-button ring. Her ass is full and feels heavenly either against my thrusting hips or cupped in my hands. Her legs are long and shapely. Her pussy is tight and her black pubic hair is trimmed carefully.

My name is Woodie. My mother grew up in Minnesota and loved going out camping in the woods. Hence my strange name. I'm eighteen. It was the summer of my Senior year, and I was on the verge of entering college. We grew up in school together in rural farmlands. I was fit and had scruffy curly hair. I'm part Italian, and sometimes Hollis and I look a lot alike. We fell for each other my junior year. We'd been through a lot. We'd known each other all our lives, growing up in Iowa. The town was just as much a part of our relationship as we were. And I was leaving.

"Just because I'm still back here, it doesn't mean you can screw around." She said to me softly.

We were sitting in my dorm room. It was moving-in day. "I'm not going to." I reassured her. "I have a phone, and I love you."

"I don't know. . . ." she said, her brown eyes downcast.

"Well I do. Nothings going to happen." I kissed her.

Half drunk, I was slightly unsteady on the stage at the local bar. I was providing lyrics and rhythm guitar. I was just finishing the last bars of the song when I noticed a blonde staring directly at me. Through my misty vision, I noticed she was pretty good-looking. We ended the set and the crowd began clapping. I had gotten a band together within three weeks and this was the fifth. We were doing a lot of cover songs at the bars around campus. I was having a lot of fun.

BLAIR-NTS-00

I talked to Hollis alot, but lately we were fighting more and more. I was actually considering breaking up with her. I had only seen her twice since I started attending college. I'd forgotten my promise to not forget her. Things were not doing so well.

I helped the guys load up the van and went back inside. I got a drink and sat down at a table, drinking it. I had only been there a few minutes when that sexy blonde walked up and sat down. She looked about two years older than me. She smiled and said,

"Hi, I'm Noel." She held out her hand.

I smiled broadly. This was not the first time I'd been hit on since I arrived, but I had never cheated on Hollis. "Hi. I'm Woodie."

She flashed another smile and sipped her drink. "Your band is getting pretty good." She said.

I thanked her and we proceeded to talk. An hour and two rum and cokes later, we were walking out. I got into her car with her, under the impression that we were going to a party. I was thoroughly drunk and didn't really care where we were going. Her face was a flawless small one with wavy blonde hair and large breasts. She wore a tight halter top and painted on hip huggers. Her belly was flat and showed little lines where she had obviously worked out. I saw this and felt an odd sensation. One of arousal. I hadn't felt that in a while, my life being full of school and the band.

We drove for a while, talking about nothing in particular. We soon stopped and got out. I don't quite remember how, but we reached a room in an apartment building and we went inside. She led me back to her room inside a cluttered, messy flat. I was stumbling, and confused, but I also knew I didn't want to go back to my dorm room, cold and alone.

I was pushed onto a small bed with a dim light coming from a small lamp on the table. She climbed onto the bed and straddled me. She leaned over me and I felt her soft hair on my face.

"I have a girlfriend." I whispered.

"She not here, baby." she answered, kissing me on my trembling lips. I was very confused, guilty, drunk, and

horny. I responded to the kiss, sliding my tongue into her mouth and grabbing her ass. She bore down on my crotch and kissed me harder. Within moments she had her shirt off and was ripping mine off. She kissed her way down my chest and unbuttoned my jeans. I felt a loosening and I looked down to find my dick was out. She immediately slid it into her mouth and began to suckle it. I arched my back, but something didn't feel quite right. I pulled her off of my dick and flipped her onto the bed, pulling her jeans (no panties) off. I felt her pussy with one hand. It

was gushing and coated my hand when I touched it.

A wave of arousal washed over me, and I grasped my dick in one hand, spreading her pussy with another. The head of my cock had just pushed inside her when I got a strange feeling. I didn't see the blonde's painted face, but Hollis's. I saw her eyes light up with want and love. Inside my head I saw Hollis laughing, Hollis deep in the throws of an orgasm.

"No!" I shouted. I pulled out and pulled my pants on. Without a word, I grabbed my shirt and shoes and ran out of the flat. Tripping and stumbling on the stairs, I exited the apartment, and realized I was downtown. I was close to campus, but I wasn't going to my dorm, I was going home.

The feeling of want, of something never fulfilled, of something wanted, wished for, hoped for, but rarely ever gotten twisted in my stomach during the entire bus ride back home.

I got off the bus, my head reeling with the need to be with her, to see her, make her feel better than she ever had. It was raining hard, but I didn't care. In the streetlights of the town I knew so well, I ran, sliding and slipping on wet grass. I jumped a neighbor's chain link fence as I'd done a million times as a boy. I ran through his garden at top speed. I ran through the elementary school playground, where Hollis and I had kissed for the first time. Memories brought stinging tears to my eyes until at last, soaking, I stood in her back yard, facing Hollis's bedroom window.

I picked up a rock from there gravel sidewalk and chucked it up at her window pane. I'd done it so many times before. Almost immediately a light came on and

I was pushed onto a small bed with a dim light coming from a small lamp on the table. She climbed onto the bed and straddled me.

the window opened. Hollis looked out, squinting.

“Woodie? Oh my God, is that you?” She asked. Before I could answer, she’d fled the window and I was left alone. Moments later, the back door opened and she rushed out in a pair of cotton panties and a babydoll t-shirt.

There in the rain, she jumped into my arms and I held her. She was crying and kissing me in the midst of the rainstorm. I stroked her wet hair and felt so good.

“I never wanted you to leave.” she sobbed into my shoulder. I shook my head.

“I’m never leaving again. I’m coming back. I’ll go to the community college.” I answered.

She looked into my eyes. “I love you Woodie.”

I kissed her in answer and she returned it, hard. Almost too hard. I fell back onto the wet grass in the warm rain. We were soon making out and groping each other like we were naughty teens again. Overcome with happiness and pent up frustration, I pulled her shirt off as she did mine. Soon we were naked on her lawn, dim light from her window allowing me to see her body, one I had missed severely.

I rained kisses down on her body and she spread her legs quickly. I made no hesitation. Her pussy was warm and wet. I felt it with my fingers and found it slick. I rubbed my dick along it and thrust into her tight passage. She moaned and grabbed my ass, pulling me closer.

“Oh God, Woodie, do me. I’ve been waiting. . . .” she was gasping.

I was keeping myself in control until she pulled me out of her dripping slit turned around, on her knees, with her head on the lush grass, she said, “Don’t make love to me Woodie. Fuck me! Fuck me like I’ve been dreaming about, fuck me.

I heard her and obliged!

I grabbed her hips and buried my dick inside her pussy. I was as deep as I could go and the rain fell and fell on my shoulders, and made her ass slick and shiny. I pounded her and pounded her as her moans became

louder and louder in the storm.

“Oh baby! Woodie, fuck me harder. I’m not gonna fucking cum! She was gasping and moaning so fast I thought she’d start to hyperventilate.

I picked up the speed and you could see her ass making waves every time I slammed her. Harder and harder her knees were starting to leave the ground and her moans were becoming so high pitched, she sounded like a little girl.

I could tell she was cumming, so I let loose and began to pump my cum out into her naked cunt. I filled her up with my hot load as she continued to moan, and my thrusts, although still

as hard, slowed to a stop.

I was breathing hard and found my dick to still be stiff and ready when I pulled out. I knew something about her that no one else did. Something she made me swear to never tell anyone.

She loved it in the ass. Her ass was ripe and full, ready for what I was going to do. I put my thumb in my mouth and slid down her ass crack to her tight anus. Pushing forward, it popped in and she moaned.

I continued to thumb-fuck her, wetting it with her own pussy-juices, until my dick was ready. I slipped into her pussy and got it creamy and slick. I pulled it out, and to keep it from being washed off in the pouring rain, I positioned it against her asshole quickly.

With one huge thrust, I slid it up her ass. She cried out in pleasure/pain. She loved it and I knew it. But Hollis liked it rough, so I began to thrust hard right away. Slick, tight and hot, her ass was already close to making me cum. Faster I pounded her and she was moaning, her hand rubbing hard against her own clit.

“Oh God!” Was all I shouted as a smaller load shot inside her beautiful ass. She came a moment later, gasping.

I pulled out of her asshole and fell beside her, rain still pouring. I was getting a little cold and I pulled her up close to me. I looked over into her eyes and whispered... “I love you, and I’ll never leave again.”

I rained kisses down on her body and she spread her legs quickly. I made no hesitation. Her pussy was warm and wet. I felt it with my fingers and found it slick.
